### Planning/Preparation—

- \* Plans are always present w/ material ready in advance
- \* Alicia is well versed in the curriculum content and follows the district's programs
- \* Your instruction is coherent and demonstrative of effective planning
- \* She is aware of where to access the needed materials which are available in advance
- \* Engages students in day to day conversation to achieve trust and interest

### The Classroom Environment—

- Alicia has developed professional relationship with her students and other staff members
- You exhibit a good sense of humor
- Appropriate voice level for large group instruction
- Good transitions from desks to math meeting area
- You have supported the “learning culture” already in place

### Instructional Delivery---

- Q and A used to check for comprehension concerning days, weeks, monthly
- You effectively used positive comments when appropriate
- Hand clap used effectively to gain their attention
- Your comfort level is evident in your mannerisms and dialogue w/ students.

### Professional Responsibility—

- Reflective thinking has become part of your teaching repertoire
- You have participated in parent visitation day and parent conferences in a professional manner
- You have assisted other staff members w/ research of state standards---well done
- All college mandates have been met to date
- Journal is well kept and very astute

***Evaluation of Today's Experience: Miss Nelson is continuing to do well in this placement.***
